reface				Section (3)	136	- Not restraining 'indrian' at external 'kamaguna arammana'; having oppression of the wicked demerits	158	- Liberation appeared at 'kamaguna'	174	- Requirement for knowing, growing 'maga'	194	(1) To grow the dhamma deed (Ex-1). The			
introduction		112		- 'Dukkha sacca' (interpretations of nature characteristics) (3): (Burning) passion	136	- Because of bearing in the mind of consideration improperly, 'tahna' got a chance to produce 'dukkha'	159	- Liberation of 'ajjhattika ayatana' (Correct doctrine) Ex-(1)	174	- 'Maga was conceived intuitively through 'panya'	196	resultant benefits and advantages of reviewing (the one's own) deed in growing			
Four noble truths and interpretation of nature characteristics		117		Section (4)	140	- 'Dukkha sacca' (interpretations of nature characteristics) (4): Apostasy ('viparinama')	140	(Correct doctrine) Ex-(2)	175	- Attaining 'ariya maga' ('arahatta maga')	196	on perceiving of impermanent 'anicca sanya', and having confirmation, was enormous and had to exist in 'nibbana'; had an ending in 'nibbana'			
Interpretation of sixteen nature characteristics and 'four noble truths'		119		- Perceiving 'sanya' of having the apostasy nature	142	Section (7)	161	- Because of arriving at 'nibbana' the whole eight 'magganga' means 'maga'	176	Section (10)	176	(2) To grow the 'dhamma' deed (Ex-2). A			
art (1)		122		- Apostasy ('viparinama')	143	'Samudaya sacca' (interpretation of nature characteristics) (2): Being freed from 'sankhara' deeds (liberation)	161		176	'Nirodha sacca' (interpretation of nature characteristics) (2):	199	certain person disliked experience, not spoke with great effort, was not being existed with attachment. Due to annihilation of delight, attachment annihilated. Due to annihilation of attachment, 'bhava' (existence) annihilated.			
- Four interpretations on the nature characteristics (of four noble truths)		123		Part. (2)	145	- 'Tahna' which causes the one to get to 'sansara'	164	- Ignoring 'sankhara'	179	Section (14)	199	(3) To grow the 'dhamma' deed. (Ex-3). The deed of 'doing a favour to detach all the mistaken ideas.			
Section (1)		124		Section (5)	146	Section (8)	165	'Magganga sacca' (interpretation of nature characteristics) (2):	199	'Magganga sacca' (interpretation of nature characteristics) (2):	199	Because of annihilation of 'avja and asavu', there were appearance of 'pacca vekkhana' intellect, knowing 'arahatta pala'(i.e due to escapent from 'kilesa').			
- 'Dukkha sacca' (interpretations of nature characteristics) (1): Oppression of 'dukkha'		124		'Samudaya sacca' (interpretation of nature characteristics) (1): Producing 'dukkha'	146	'Samudayaya sacca' (interpretation of nature characteristics) (4): Having no unity correctly of the whole cause 'dhamma' deeds	165	Taking out from 'sansara'	180	'Samudaya sacca' (interpretation of nature characteristics) (3): Having no unity correctly of the whole cause 'dhamma' deeds	180	Annihilation of 'bhava', annihilation of 'kilesa' and appearance of 'maga'			
- The physical, mental 'misery' appearing at the 'puthujanya'		125		- The cause for non-escapement of mind: Producing 'dukkha' (misery)	147	- The method of growing on not cleaving and having no desire for 'arammana' and 'vinyana' which were also the whole cause 'dhamma'	167	- Escapement from the external 'kamaguna arammana nimita'	182	'Nirodha sacca' (interpretation of nature characteristics) (4): Having no death	185	203			
- What thing was being oppressed?		127		- Cleaving 'khandha' and producing 'dukkha'	148	- Method of growing for annihilation of 'avija' and 'tahna' (Ex:1)	168	- Annihilation of 'bhava', annihilation of 'kilesa' and appearance of 'maga'	203	Section (11)	180	202			
Section (2)		130		- Producing 'dukkha' by means of not restrainig 'kamaguna'	149	- Method of growing (Ex: 2)	169	- How would 'maga' take out?	204	Section (12)	185	201			
- 'Dukkha sacca' (interpretations of nature characteristics)(2):(Changes) through uniting all the deeds of causes		130		- Looking into the causes of 'sanyojanya' again and again in terms of pleasantness, produced 'dukkha'	151	Part (3)	170	'Nirodha sacca' (interpretation of nature characteristics) (4): Having no death	185	'Magganga sacca' (interpretation of nature characteristics) (3):	205	(The End)			
- 'Sankhara' and the 'sankhara' deed		132		- 'Dukkha' appeared at the person who was bound	152	Four interpretations on the nature characteristics of 'nirodha sacca'	170	- Like the nature of extinguished fire due to a lack of fuel	189	'Magganga sacca' (interpretation of nature characteristics) (3):	205				
- "Extension 'sanya' aggregate which would extend 'arammana'		132		Section (6)	153	- Analytical study on interpretation of 'four noble truths'	170	Part (4)	192	Having nature of seeing 'nibbana'	206				
				'Samudaya sacca' (interpretation of nature characteristics) (2): Giving 'dukkha' (to five 'khandha')	153	'Nirodha sacca' (interpretation of nature characteristics) (1): Liberation	171	- (1) 'Viraga' ('samma ditthi; ---- ; samma sammadhi') and 'viraga nibbana'	206						
				- 'Dukkha' which was given to five 'khandha' in the present	154	- Liberation of five 'khandha'	171	- (2) 'Vimutti ('samma ditthi; ---- ; samma sammadhi') and 'vimutti 'nibbana'	208						
						- Liberation of five 'khandha' (Correct doctrine) Ex-(1)	172	Section (16)	211						
						- A person knowing liberation truely and correctly was the one arriving at 'vijja'	174	'Magganga sacca' (interpretation of nature characteristics)(4): Overwhelming and controlling (annihilation of 'kilesa' and conceiving 'four noble truths')	211						
								Appearance of 'maga' which causes for attaining 'nibbana'	193	'Magganga sacca' (interpretation of nature characteristics) (1):	193				
								- Seeing and growing through 'panya' in conformity with 'maga'	215
