

Chapter 1 . Boot and Post Process

Post Process	1
Progress and error reporting	3
Beep Codes	4
Booting	6
Windows 7 Startup Process	8
Initial Startup Phase	9
Initial Startup Phase for BIOS Computer	10
Windows Boot Manager Phase	11
Windows Boot Loader Phase	12
Kernel Loading Phase	14
Control Sets	14
Session Manager	16
Logon Phase	18
Accessing Advanced Boot Options Menu	19

Chapter 2 . Configuring BIOS Settings

Basic Input/ Output System	25
Standard CMOS Features	26
Advanced BIOS Features	29
Integrated Peripherals	33
Power Management	38
Advanced CPU Features	42
PC Health Status	44
DRAM Timing	46

TABLE OF CONTENTS

Load Fail Safe Defaults	49
Load Optimized Defaults	50
Set Supervisor Password	50
HDD Password	50
Save & Exit Setup	50
Exit without Saving	51
Overclocking	51
On Intel P45 Chipset	51
On Intel X58 Chipset	62
Update BIOS Firmware	67
Chapter 3 . Windows Installation	71
Operating System Overview	73
History of Windows Operating System	73
64 bit Computing	79
Installing Microsoft Windows	80
Windows XP Installation	82
Windows 7 Installation	96
Windows 8 Installation	107
Windows 10 Technical Review	115
Install Windows from USB	118
Windows XP Installation	118
Windows 7, Windows 8, Windows 8.1 and Windows 10 Installation	122
Install Windows from Network (LAN)	126
Windows 7/ 8 Install	127
Activate Windows 7/ 8/ 10	135
Windows 7 Activation	136
Windows 8 Activation	137
Windows 8.1 Activation	138
Windows 10 Water Marker Remover	140
Installing Windows Driver	141

TABLE OF CONTENTS

Install Windows Driver with Driver Solution Pack	141
Download Drivers from Internet	143
Chapter 4 . Using Control Panel	147
Control Panel Overview	149
System and Security	150
Action Center	150
Windows Firewall	154
System	157
Windows Update	160
Power Options	161
File History	164
BitLocker Drive Encryption	167
Storage Spaces	172
Work Folders	176
Add Features to Windows 7/ 8/ 10	179
Administrative Tools	180
Defragment and Optimize Drives	181
Disk Cleanup	183
User Accounts and Family Safety	186
User Accounts	186
Family Safety	195
Credential Manager	202
Network and Internet	202
Appearance and Personalization	203
Personalization	204
Theme	204
Desktop Background	205
Color	207
Sounds	207
Screen Saver	207

TABLE OF CONTENTS

Display	211
Taskbar	218
Ease of Access Center	221
Folder Options	221
Fonts	223
Chapter 5 . Shortcut Keys	229
Shortcut Key Overview	231
Control Panel	231
System and Security	231
User Accounts and Family Safety	233
Appearance and Personalization	233
