

Welcome to the fascinating world of Burmese language and culture! Learning Burmese can help you discover the mystery and beauty of one of Southeast Asia's most enchanting countries – a place of majestic rivers, gleaming stupas and charming people.

BURMESE FOR BEGINNERS...

- teaches all four language skills – speaking, listening (when used with the audio CDs), reading & writing.
- offers clear, easy, step-by-step instruction, building on what has been previously learned.
- introduces you to Burmese culture, customs and much more.
- is written in a brisk, interesting style using beautiful Burmese script.
- is compact with useful information for learning the language.

This book is effective for independent self-study or classroom use. Each chapter introduces useful vocabulary, followed by realistic conversations, hands on writing practices and many exercises.

Gene Mesher, Ph.D.

Burmese for Beginners is the perfect language guide for your journey into the Golden Land – Burma (Myanmar).

Gene Mesher is a former Fulbright scholar who studied the communications industry in Southeast Asia. He has been visiting and writing about the region for over seventeen years. Dr. Mesher has traveled extensively in Myanmar and currently lives in Thailand.
