*Songs for Social Change* is a multi-level English language learning resource. It uses songs to highlight issues facing Myanmar and the world such as the environment, inequality, human rights, poverty and injustice.

Songs are arranged by level, from elementary to upper intermediate, there is a full answer key provided at the back, and lyrics and chords for all songs.

Songs included are from famous bands and musicians such as Michael Jackson, Bob Marley, The Scorpions, Meaghan Trainor, Green Day, Tracey Chapman and John Lennon. It includes many different genres of music, including pop, rock, folk, punk and hip-hop.

*Songs for Social Change* can be used as a classroom or self-study resource.
