

LEADER

• Myanmar and America

The ultimate endorsement . Its commitment to reform has been impressive, but stern tests lie ahead for Myanmar

SPECIAL REPORT

• A Burmese spring

After 50 years of brutal military rule, Myanmar's democratic opening has been swift and startling, says Richard Cockett. Now the country needs to move fast to heal its ethnic divisions

• Democracy on prescription

Why Myanmar's military rulers are giving power to the people

• SuuKyi for president?

Possibly, though many twists and turns still lie ahead

• Rite of passage

The opening up of Myanmar could transform the rest of Asia

• The promise—and the pitfalls

Why investors still need to proceed with caution

• The F-word

Myanmar's ethnic conflicts are the main obstacle to continued progress
